Dear BISFA Students:

Back by popular demand are the beautiful handcrafted 22-inch Christmas wreaths, assembled from natural balsam fir evergreens from the woods of New England. We will be selling them to all our friends, family, next-door neighbors and anyone else we know. Each wreath is skillfully decorated with three clusters of hard pinecones, a waterproof velvet bow and embedded with clusters of red holly berries. All wreaths are individually bagged and boxed for ease of handling and product protection. Door hangers and easels are also available for sale.

In addition to our individual sales as a school we will be selling special 26-inch wreaths to the downtown Hagerstown businesses as a way to "*Paint the Town Green for the Holidays.*"

It is important that everyone does his or her best to sell as many wreaths as possible. The proceeds benefit your individual discipline. As an added incentive there is a friendly competition between disciplines. The department that sells the most wreaths and has the highest percentage of wreath sales per student will receive a special treat for his or her floor.

Enclosed is a brochure that has a picture of a sample wreath, along with your order form. Please keep the envelope and use for collected payments. Inside the brochure, at the top, is the price of each item, which already includes the sales tax. Checks should be made payable to *Barbara Ingram School for the Arts*. **Do not** take any orders without payment. All orders are due by **November 4**.

Delivery and pick-up is scheduled for Tuesday, November 22 at 7am across the street from the school at the overhang in front of the Bridge of Life Church.

These are beautiful and long-lasting wreaths that anyone would be proud to display, and this is a major fundraiser for our school as well as individual departments, so show *your* school pride by selling as many wreaths as you can!

Best regards,
Natasha Ramos-Izquierdo
